ST Line

Get noticed in this stimulating new ride.

Anyone can blend in. Confidence empowers you to stand out. The new 2020 Edge ST-Line, with its bold exterior design and eye-catching interior accents, quickly sets itself apart in any setting. ST style headlamps, grille and side cladding let you know this Edge is inspired by performance. Black exterior accents and 20" Premium Gloss Black-painted aluminum wheels give it a decidedly sporty style.

Inside, ST-Line door-sill scuff plates lead the way to durable ActiveX Seating Material with Miko® inserts. Red accent stitching emboldens the seats, door inserts and armrests, leather-wrapped steering wheel, front and rear carpeted floor mats, and center console lid. A brushed-aluminum instrument panel appliqué and unique metallic foot pedals complete the interior transformation.
